

June 17, 2011

Streetscape Homes is one of Saskatoon's most innovative and growing home building companies. For our customers, this means unparalleled choice, quality and customer service. We are committed to environmental sustainability by building every house Energy Star qualified.

For our team, this means a work environment filled with opportunity and growth. Our employees are talented, committed and share values of respect, fairness and accountability. These values promote a positive environment of teamwork, innovation with career growth, advancement, long-term employment and work-life balance.

As an established and growing home builder we have and will continue to build our team with the best people. Streetscape is a place where your ideas are always welcome and where you can make a difference.
